### **f. Proposal Validity**

### **g. LOSB**

The County encourages the utilization of locally-owned small businesses as sources of subcontract work. The County notifies all respondents that all firms and/or individuals shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Title VI of the Civil Rights Act of 1964, as amended.

#### **LOCALLY OWNED SMALL BUSINESS PURCHASING PROGRAM RULES AND REGULATIONS:**

- (i) The Administrator of Purchasing in conjunction with the Administrator of EOC shall identify certain goods and services required by the County to be set aside for special purchasing procedures for locally owned small businesses.

(ii) Only certified locally owned small businesses will be allowed to submit competitive bids on the goods or services identified under paragraph (i) above.

(iii) The Administrator of Purchasing shall, in conjunction with the Administrator of EOC, annually review the Shelby County Capital Improvement Program to determine those projects with a construction cost of \$250,000 or more. Contracts amounting to at least ten (10%) of the construction costs of such project shall be awarded to locally owned small businesses as defined herein, except as set forth in sub-paragraph (vi) of this section, either as part of the conditions of the solicitation for general contractors bidding on these projects, or as separate bids issued by the County for subcontracts that may be assigned to general contractors.

(iv) After adhering to all other bidding and purchasing requirements of the County, not inconsistent with this part, if no bids are received from locally owned small businesses, then the County may solicit bids for the goods or services from all other sources.

(v) On all purchases and/or contracts entered into by the County, the Purchasing Administrator or his or her designee shall have the right to negotiate with any supplier of goods or services to the County for the inclusion of locally owned small business subcontractors and/or suppliers in the contract award.

(vi) Failure by a supplier or contractor to include locally owned small business sub-contractors or suppliers in its bid or contract may be grounds for rejection of said bid or contract unless the supplier or contractor can show documented evidence of good cause why none were included.

(vii) Any locally owned small business awarded a contract or purchase order under this section shall not sublet, subcontract or assign any work or services awarded to it without the prior written consent of the Mayor or the Purchasing Administrator.

(viii) As to those purchases below the requirement for a formal bid solicitation (currently, under \$15,000) and not included in the locally owned small business set aside, the Administrator of Purchasing shall determine if any locally owned small business offers that product or service. If so, at least one such eligible locally owned small business should be included in the vendors contacted for an opportunity to bid, and the Administrator of Purchasing may, at his discretion, designate in a purchase order the purchase of such goods and services from the identified locally owned small business.

(ix) In those situations where a locally owned small business as defined herein, engages in open competitive bidding for County contracts, the Administrator of Purchasing shall provide for a preference for the locally owned small business where responsibility and quality are equal. Said preferences shall not exceed five percent (5%)

of the lowest possible bidder meeting specifications. The preference shall be applied on a sliding scale in the following manner:

- a. A preference of up to five percent (5%) shall be allowed for contracts up to \$500,000.00;
  - b. A preference of up to three and five-tenths percent (3.5%) shall be allowed for contracts up to \$750,000.00;
  - c. A preference of two and one-half percent (2.5%) shall be allowed for contracts up to \$1,000,000.00;
  - d. A preference of two percent (2%) shall be allowed for contracts that exceed \$1,000,000.00.
- (x) For construction contracts over \$2,000,000.00, the Administrator of Purchasing shall provide for a preference of two percent (2%) to general contractors meeting the requirements of Section 1, Subparagraph B, if fifty percent (50%) or more of the total work comprising the bid has been or will be awarded to certified locally owned small businesses. The fifty percent subcontracting threshold must be met prior to contract execution.
- (xi) The Administrator of Purchasing may divide a single bid package for any purchase of goods and services into two or more smaller bid packages in any case that the Administrator of Purchasing reasonably believes that the smaller bid packages will result in a greater number of bids by locally owned small businesses.
- (xii) The Administrator of Purchasing, upon approval of the County Mayor, may establish special insurance and bonding requirements for certified locally owned small businesses so long as they are not in conflict with the laws of the State of Tennessee.
- (xiii) The Administrator of Purchasing, with the approval of the County Mayor, shall adopt and promulgate, and may from time to time, amend rules and regulations not inconsistent with the provisions of this ordinance, governing the purchase of goods and services from locally owned small business concerns to effectuate and implement the Locally Owned Small Business Purchasing Program within the intent of this ordinance.
- (xiv) The Administrator of EOC shall, in conjunction with the Administrator of Purchasing, provide a written quarterly report to the Mayor and Board of Commissioners which shall include a summary of the purchases selected for this program, a listing of the contracts awarded to locally owned small businesses for the period, and the dollar amounts of each such contract, and the percentage which such contracts bear to the total amount of purchases for the period.

Shelby County shall be named as additional insured. All policies will provide for 30 days written notice to Shelby County of cancellation or material change in coverage provided.

### ***Other Insurance Provisions***

1. Commercial General Liability and Automobile Liability Coverages

a) Shelby County Government, its elected officials, appointees, employees, volunteers and members of its boards, agencies, commissions and committees are to be covered as additional insured as respects: liability arising out of activities performed by or on behalf of the Consultant; products and completed operations of the Consultant; premises owned, leased or used by the Consultant or premises on which Consultant is performing services on behalf of the County. The coverage shall contain no special limitations on the scope of protection afforded to Shelby County Government, its elected officials, appointees, employees, volunteers and members of its boards, agencies, commissions and committees.

b) The Consultant's insurance coverage shall be primary insurance as respects the County, its elected officials, appointees, employees, its elected officials, appointees, employees, volunteers and members of its boards, agencies, commissions and committees. Any insurance or self-insurance maintained by the County, its elected officials, appointees, employees, volunteers and members of its boards, agencies, commissions and committees shall be excess of Consultant's insurance and shall not contribute with it.

c) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Shelby County its elected officials, appointees, employees, volunteers and members of its boards, agencies, commissions and committees.

d) Coverage shall state that Consultant's insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the limits of the insurer's liability.

2. Workers Compensation and Employers' Liability and Property Coverages

The insurer shall agree to waive all rights of subrogation against Shelby County Government, its elected officials, appointees, employees, volunteers and members of its boards, agencies, commissions and committees for losses arising from activities and operations of Consultant in the performance of services under this Agreement.

3. All Coverages

a) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days prior written notice has been given (add user department and specify specific individual and title) to the County, except 10 days notice for non-payment of premium.

b) If Consultant, for any reason, fails to maintain insurance coverage which is required pursuant to this Agreement, the same shall be deemed a material breach of contract. County, at its

sole option, may terminate this Agreement and obtain damages from the Consultant resulting from said breach.

Alternatively, County may purchase such required insurance coverage (but has no special obligation to do so), and without further notice to Consultant, County may deduct from sums due to Consultant any premium costs advanced by County for such insurance.

4. Aggregate Limits

a) Per-Project General Aggregate Limit. The standard Commercial General Liability policy has a general aggregate limit that places an annual cap on the amount of coverage available for all claims, other than products-completed operations claims, covered by the policy. A standard endorsement to the CGL policy allows a Consultant to specify the application of a *separate* general aggregate limit to individual construction projects. This endorsement (CG 25 03) is readily available to most Consultants in the current marketplace. It should generally be required in construction contracts. The endorsement guarantees that whatever amount of insurance the Consultant is required to maintain according to the provisions of the construction contract will be available to pay claims arising from the project – without those limits being depleted by claims against the Consultant arising from other projects.

b) Per-Location General Aggregate Limit. The standard Commercial General Liability policy has a general aggregate limit that places an annual cap on the amount of coverage available for all claims, other than products-completed operations claims, covered by the policy. A standard endorsement to the CGL policy allows the named insured to specify the application of a *separate* general aggregate limit to any or each of its locations. This endorsement (CG 25 04) is readily available to most businesses in the current marketplace. It should generally be required in premises leases if the lessee has multiple locations.

c) Each-Occurrence Limit. There are a number of approaches that may be taken to specify the limits required of the indemnitor. One approach is to specify a dollar amount for each of the primary coverages (i.e., CGL, employers liability, and auto liability), but this can cause problems as discussed under the “Common Errors and Problems” heading below. Probably the best approach is to specify that the occurrence and aggregate limits of the primary policy(ies) will meet the requirements imposed under the indemnitor’s umbrella policy. A minimum limit required for the indemnitor’s overall liability program can then be specified. This allows the indemnitor the flexibility for structuring a layered liability program in whatever manner makes the most business sense while affording the protection required under the contract.

5. Deductibles and Self-Insured Retentions

Any self-insurance, self-insured retentions or deductibles must be declared to and approved by the County. At the option of the County, the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects Shelby County or the Consultant shall procure a bond guaranteeing payment of losses, related investigation, claim administration and defense expenses.

6. Acceptability of Insurers

Insurance is to be placed with Tennessee admitted insurers rated A X or better by *A.M. Best's* rating service or as approved by Shelby County’s Insurance Specialist.

7. Verification of Coverage

Consultant shall furnish the County with certificates of insurance and with original endorsements affecting coverage required by this clause. The certificates and endorsements for each policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be received and approved by the County before work commences. Shelby County may at its discretion, request a certified copy of any insurance policy required under any contract or agreement.

8. Sub-Consultants

Consultant shall include each of its sub Consultants as insured under the policies of insurance required herein or ensure that their sub Consultants meet the minimum requirements for insurance specified herein.

9. Defense, Indemnification and Hold Harmless Agreement (Contracts for Services)

Consultant shall indemnify, defend, save and hold harmless Shelby County Government, and its elected officials, officers, employees, agents, assigns, and instrumentalities from and against any and all claims, liability, losses or damages—including but not limited to Title VII and 42 USC 1983 prohibited acts—arising out of or resulting from any conduct; whether actions or omissions; whether intentional, unintentional, or negligent; whether legal or illegal; or otherwise that occur in connection with or in breach of this Contract or in the performance of the Services hereunder, whether performed by the Consultant its sub Consultants, agents, employees or assigns. This indemnification shall survive the termination or conclusion of this Contract.

Consultant expressly understands and agrees that any insurance protection required by this Contract or otherwise provided by the Consultant shall in no way limit the responsibility to indemnify, defend, save and hold harmless Shelby County or its elected officials, officers, employees, agents, assigns, and instrumentalities as herein provided.

Shelby County has no obligation to provide legal counsel or defense to Consultant or its sub Consultants in the event that a suit, claim or action of any character is brought by any person not a party to this agreement against Consultant as a result of or relating to performance of the Services under this Contract.

Except as expressly provided herein, Shelby County has no obligation for the payment of any judgment or the settlement of any claims against Consultant as a result of or relating to performance of the Services under this Contract.

Consultant shall immediately notify Shelby County of any claim or suit made or filed against Consultant or its sub Consultants regarding any matter resulting from or relating to Consultant's performance of the Services under this Contract and will cooperate, assist and consult with Shelby County in the defense or investigation thereof.

**B. Right to Monitor and Audit**

Access To Records. During all phases of the work and services to be provided hereunder the Consultant agrees to permit duly authorized agents and employees of the County, to enter Consultant's offices for the purpose of inspections, reviews and audits during normal working hours. Reviews may also be accomplished at meetings that are arranged at mutually agreeable times and places. The

Consultant will maintain all books, documents, papers, accounting records, and other evidence pertaining to the fee paid under this Contract and make such materials available at their offices at all reasonable times during the period of this Contract and for three (3) years from the date of payment under this Contract for inspection by the County or by any other governmental entity or agency participating in the funding of this Contract, or any authorized agents thereof; copies of said records to be furnished if requested.
